

**International Conference on "Atmospheric and Climate Physics",  
dedicated to the 70th anniversary of the  
A.M. Obukhov Institute of Atmospheric Physics,  
Russian Academy of Sciences**

*April 6-9, 2026  
Kislovodsk, Russia*

---

**Dear colleagues,**

**We are pleased to invite you to participate in the  
International Conference on  
Atmospheric and Climate Physics.**

### **Conference Themes**

The conference will focus on current issues in atmospheric and climate physics. The scientific program includes the following research areas:

- I. Atmospheric Dynamics and Turbulence
- II. Climate Diagnostics and Modeling
- III. Atmospheric Composition and Transport of Impurities
- IV. Applied Aspects of Atmospheric and Climate Research

The conference program will consist of plenary sessions and oral presentations reflecting the state of the art and recent results in these fields.

### **Venue**

The conference will be held in Kislovodsk, a national health resort and the gem of the Caucasian Mineral Waters region. It is home to the High-Altitude Research Station of the A.M. Obukhov Institute of Atmospheric Physics, RAS. The conference sessions will take place in boarding houses (<https://skfmba.ru/sanatornyj-otdykh/kliniki>), located next to Europe's largest landscape park and the Narzan Gallery.

### **Organizers**

A.M. Obukhov Institute of Atmospheric Physics, RAS

Department of Earth Sciences, Russian Academy of Sciences

Ministry of Science and Higher Education of the Russian Federation

## **Official language**

Russian and English.

## **Key dates**

Those wishing to participate in the conference must submit their application no later than **February 15, 2026**.

Please complete the registration form on the conference website (<https://ifaran.ru/ru/science/conferences/konferenciya-fizika-atmosfery-i-klimata-70#reg>) and provide the required information about your abstract.

The conference is planned as an in-person event. The Program Committee reserves the right to reject papers that do not align with the conference themes.

Notifications regarding acceptance and presentation format will be sent out no later than **March 1, 2026**.

## **Registration Fee**

The conference registration fee is 15,000 Russian Rubles. This fee includes participation in all official conference events, a set of information materials, coffee breaks, a buffet, and an excursion.

Members of the Program Committee are exempt from paying the registration fee.

Information regarding the payment procedure and a sample contract will be available on the conference website from **January 15, 2025**.

## **Contacts**

Conference website:
